CONTRACT FOR CONTEST OFFICIAL

Principal _____ of _____ High School and _____, an IHSAA licensed official, in the capacity as independent contractor, hereby enter into the following assignment and terms for officiating:

- 1. Said official, in the capacity as an independent contractor, agrees to be present and officiate _____ contest(s) of _____ to be played at _____ on the dates listed during the school years _____ and _____.

Table with 5 columns: Date, Day of Week, Time, Team Playing, Total Payment. Includes four empty rows for data entry.

- 2. That in case of failure on the part of either one of the contracting parties to fulfill the terms of this contract, except by mutual consent, a forfeiture fee equal to the contractual fee (listed in above payment column) shall be paid by the offending party to the other party within ten (10) days after the date set for each game in this contract. It is understood that there is a moral obligation as well as a contractual obligation to be considered in the making and breaking of contracts. Where obligations are not mutually adjusted, the IHSAA reserves the right to review the facts and determine what these adjustments should be.
3. Member schools are to report to the IHSAA within ten (10) days an official who fails to honor contractual agreements. Include also the reason given, if known. Notification is not required when both parties mutually agree to terminate the contract.
4. That whenever the contest contract becomes null and void according to IHSAA rules (e.g. termination of membership, using or proposing to use ineligible players) or the debarment or non-approved status of the official shall render this contract null and void.
5. This contract is void if not returned on or before _____.

I am presently acting as an independent contractor and am presently an IHSAA licensed official in the sport listed above. Should I fail to renew my license for the year in which this contest occurs, the contract will be declared void. It will be my responsibility to notify the host school at the earliest possible date.
